Nine is a Tony Award Winning musical based on Federico Fellini's semi-autobiographical film *8½*. It focuses on world famous film director, Guido Contini, who is dreading his imminent 40th birthday and facing a midlife crisis.

Set in early-1960s Venice, Contini finds himself entangled in a complex web, struggling desperately to balance his dwindling career, suffering marriage and a myriad of affairs.

A beautifully decadent musical led by 22 of the strongest musical theater actresses in Southern California and boasting a score that can only be brought to life by a live orchestra under the direction of Damien Lorton and starring Nicole Cassesso, Adriana Sanchez, Erika Baldwin, Beth Hansen and 15 years of OMP's leading women!
